

McMahon Mosaic Project

Albert McMahon Elementary is proud to display the Aboriginal Art Mosaic Project with Riley Charters and the Aboriginal Students of McMahon. The piece, displayed in the front entrance foyer, represents a union of Aboriginal symbolism and the school Phoenix Logo. Each aboriginal art piece fits into a greater part which represents the school in itself.

The Aboriginal Students of 2013 to 2014 can be proud of this Legacy. This piece embodies how our individual aboriginal students are strong and unique, while owning the sense of belonging in their school.

Thank you to Riley Charters for your vision, design, time and patience, and to the students for all your hard work in making this project possible.
